

Fire Sport UK Golf Section

Inter District Team Championship 2018

The FSSAA district finals this year will be hosted by London Fire Brigade and will be held at Old Thorns Manor Hotel, Longmoor Road, Liphook GU30 7PE on Monday/Tuesday 27th/28th August.

The first day will have tee times from 12:30 and will also be a subsidiary competition sponsored by the Fire Sport UK. Districts will play as teams and record the best 2 from 3 scores on each hole. This will be a Stableford format and a bit of fun on the build-up to the main event. There will be a prize for the best team score and smaller prizes such as nearest the pin.

On the Monday evening there will be an official opening of the event which will include dinner. This will give the teams to mix and socialise. The dress code for this is smart casual.

The second day, after breakfast, play will commence at 10:00. Players will be split from their team mates and play a Stableford format with all 3 scores going towards the team total. There will also be subsidiary prizes for the best individual score in each category (0-9, 10-18, 19+). Following the competition there will be a buffet lunch followed by the Prize presentation.

The cost is set at £150 per person (£450 per team) to include accommodation (based on 2 people sharing a room), prizes and catering.

As each district is a team of 3 it is recommended that district secretaries liaise with each other to pair off their 3rd players so that the rooms are shared equally and to reduce a surcharge for single occupancy (unless individuals require this).

Extra rooms can be booked for the 28th through Rob Keddle on 01428 725885.

The nearest Airports are London Heathrow and London Gatwick which are both approx. 45 minutes away.

For administration purposes each district secretary is required to complete the form below.

The entry form along with the entry fee of £450 per team, Cheques to be made payable to **London Fire Brigade Golf Club** is to be sent to Tony Leslie by 30th June.

The entry fee can also be paid by BACS
