**National Individual Championship 2019**

**LANCASTER GOLF CLUB**

## Introduction

The 2019 Fire Sport UK National Singles Championship will be proudly hosted by the North West Region and contested at Lancaster Golf Club.

The competition is again kindly sponsored this year by Rosenbauer & WeberRescueUK.

**The Course:** - A tough challenging Par 71 | 6512 Yards

The course, measuring 6512 yards with a par of 71, and designed by James Braid in 1932 (5 times open champion and Britain's greatest course architect), provides a challenge to every golfer, especially the classic dogleg ninth, the demanding seventeenth known as 'Braids Best', and the daunting elevated tee to the final green.

Braid's achievement was to construct a course in harmony with the existing landscape that did not prevent him from introducing spectacular touches of theatre. The most striking effect come after 11 holes: suddenly this parkland course reveals an unexpected seaward aspect, looking out towards the open bay.

The signature hole is the 18th. Peter Alliss said it is in his Top 10 finishing holes! The problem it poses, how best from a high tee, to carry a ravine of rough ground, water and sand to the green below. The green is guarded on the left by an Oak tree, which was already present when the course was constructed. Another six bunkers provide the putting area with more than adequate protection. One of them, built into the bank below the plateau green is, perhaps the most notorious on the course. Like all good 18th holes its green lies under the clubhouse windows of the historic and stunning Ashton Hall. A truly stunning venue

The North West are proud to host the National Individual in 2019 and we look forward to an exciting and challenging competition.

## Dates

**The competition will be played over the 26<sup>th</sup> / 27<sup>th</sup> September 2019**

## Format

The format will be 2 days medal/strokeplay
